MEMORANDUM FOR: Chief, Geographic Research 4 June 1959  
FROM: Chief, Map Library Division  
SUBJECT: D/GL Activity Report for the Month of May, 1959

A. Major Research and Technical Support Activity

1. During May, the Reference Branch serviced a total of 1,269 map requests (1,152 general map requests and 117 ATMP items). Africa, the USSR, and the United States were the areas of map request concentration. There was an increase in requests from CIA components for Place Name locations and spellings.

a. The servicing of map materials during the month included:

1. Filling four rush requests for the White House.
2. Forwarding of materials to two overseas Field Offices.
3. Filling a rush request for personnel leaving for overseas duty.
4. Sending specialized subject and base maps to the Net Evaluations Sub Committee.

b. Considerable technical support was provided a member of the State Department who worked in the Map Library on a project on Africa. A member of the Reference Branch selected many maps from various sources to supply specialized coverage of the desired area.
